

REMARKS

By this amendment, claims 1-20 are pending, in which no claims are canceled, withdrawn from consideration, currently amended, or newly presented. No new matter is introduced.

The Office Action mailed October 19, 2007 rejected claims 1-20 under obviousness-type double patenting as obvious over claims 1-16 of *Porter* (US 6,687,355).

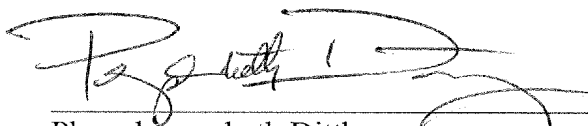

In order to expedite the processing of this application, a terminal disclaimer is filed herewith. Accordingly, the rejection of claims 1-20 under obviousness-type double patenting should now be withdrawn and all claims should be allowable.

Therefore, the present application, as amended, overcomes the rejections of record and is in condition for allowance. Favorable consideration is respectfully requested. If any unresolved issues remain, it is respectfully requested that the Examiner telephone the undersigned attorney at (703) 519-9952 so that such issues may be resolved as expeditiously as possible.

Respectfully Submitted,

DITTHAVONG MORI & STEINER, P.C.
